MONDAY, OCTOBER 27

PETERBOROUGH

ONTARIO

15 Bulls

Every Louada sale contains bulls that are destined to write history throughout the breed as champions and prime stock bulls. Which will you choose this year?

70 Females

Never has Louada sold as many great females. But, in line with herd policy, they'll go this year. Many are being replaced by younger daughters and sisters. You can buy the service of three recently-imported bulls . . . Woodhead Buchan, Chapelon Glenfyne and Duncrahill Happy Man.

In Your Own Backyard

One of the world's great cow herds

LOUADA REQUEST AAA

Our choice of the bulls in the 1964 Louada sale. It was gratifying to see him classified AAA. It is even more pleasing to see the calves he is leaving at Ashbourne.

ACADIA NAPOLEON 200th

The International grand champion whose first crop of calves are setting the pace in the nation's leading shows. They are praised for their trimness, correctness and soundness. His junior get was first at both Denver and Jackson.

EVERYDAY IS SALE DAY

The Ashbourne Production Sale will not be held this year. Therefore, a large selection of both foundation females and stock bulls for the best of herds is available at the farm. Drop us a note with your needs or visit at any time. You are always welcome.

The Ohio National

Show and Sale

COLUMBUS, OHIO

Last year, 21 consignors from seven states participated and made the 1969 sale a very successful event for buyer and seller.

You too can take advantage of this criterion event. Make plans now to consign to or buy at this sale.

Last year, over \$7,500 in premiums were offered, with a \$300 first place premium. This year the premiums will be even higher. Remember, the best deserve special attention.

COME TO FERNWOOD FIRST AND DISCOVER THE DIFFERENCE THAT QUALITY CAN MAKE

There's a difference between just spending your money and investing it wisely. Carefully invested funds bring you a generous return year after year. But a proper investment must be a quality investment.

At Fernwood you'll find that quality abounds. For example, there are more than 100 imported females in the herd. Decades of Great Britain's best blood stand behind each female. But she's not there just because she's imported. She's there because she's good.

Then consider the stock bulls like Allwood Rustic King by Louada Rothes King. Here is a young bull that is now proved by excellent calves on the ground. You'll see much of them as the year progresses.

Consider the \$25,000 Bapton Guardsman, pictured, whose daughters will play an important role in the future herd.

Don't forget the young sons of Perth champion Denend Ragusa that are being fused into the breeding program for additional scale and stamina.

Here is quality at its best, backed as always by the unconditional Fernwood guarantee. Come to Fernwood first on your buying trip. You'll see the difference that quality can make.

WHERE THE EMPHASIS IS ON
"CONSISTENT QUALITY"

Grand Champion Steer over all breeds at the first Indiana Gold Medal Carcass show was this white steer by our senior herd sire Acadia Napoleon 85th bred by us and shown by Tom Martin, New Castle, Ind.

The steer was also champion Shorthorn in the on-foot competition. Carcass data includes .3 inches outside fat, 10.5 sq. in. loin eye and 51% cutability.

Another steer by the 85th was res. grand champion over all breeds at the Huntington County 4-H show for Ron Pulley, Huntington, Ind. while still another son was res. champion Shorthorn at Johnson County fair for Julie Hensley and yet another son was Champion Shorthorn at the Marion County Fair for the Herschel Lowe family.

Reserve Grand Champion over all breeds at the 1968 Eastern National Livestock Exposition was this even roan steer by our former herd sire Glastulich Victor bred by us and shown by Knic Overpeck. This steer had previously been Grand Champion steer at the Shelby county fair and first in class at the Ind. State Fair for Alice.

CONSTELLATION FARM

Shorthorns

COLOMEADOW MR. TALISMAN

--Now owned and in service at Constellation Farm, recently purchased at the Edson Farms dispersion where his ability as top sire was reflected throughout the sale.

Our start with Shorthorns in a small way was in 1963 and each year since, we have shown at the County and State Fairs. In 1964 we had the Grand Champion 4-H steer in Hancock County and have always taken our share in the shows. Stood second in a strong heifer class at the 1967 State Fair. Recently we have added a number of top selling females to our cow herd which is now some 30 head.

You are invited

to stop at the farm and inspect this new and select herd of Shorthorn Cattle

JUNIOR ASSOCIATION**Jerry Nickel & Jim Jordan**

From left above is shown Jerry Nickel, Carmel and Jim Jordan, Rensselaer, at the National Youth Conference.

The Indiana Junior Association held its Annual State Fair meeting Saturday August 23rd.

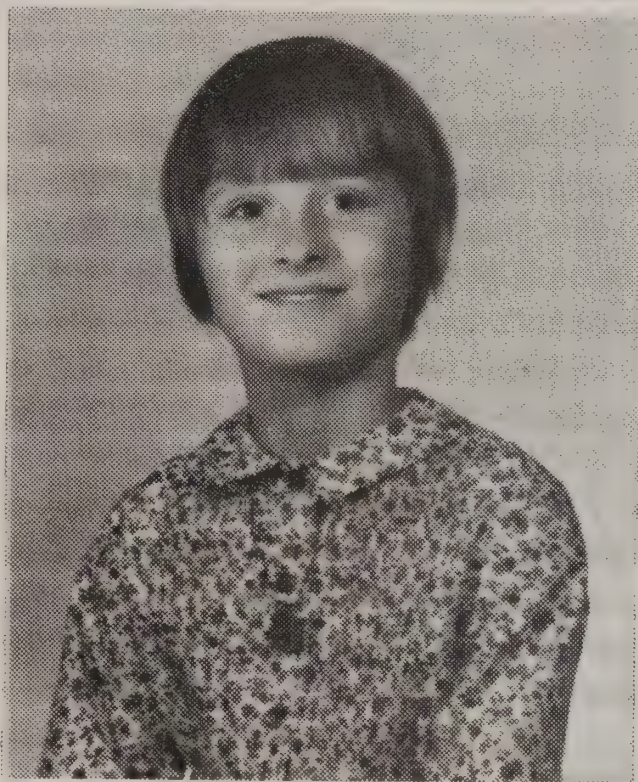

Retiring President, Alice Ferris, called the meeting to order. Our business was the election of officers who were Margaret Merson, Thorntown, Bill Fugate, Linden, Vice-President and Jerry Nickel, Carmel, President.

At the State Fair our Association held a raffle for an Electro-Groom Circuiteer and sold tickets until time for the drawing which was done by Dwight McCoy, manager of Bilmar Farms and judge of the open Shorthorn show. Natalie German, daughter of Mr. and Mrs. Ted German, was the lucky winner.

The raffle along with the sale of the heifer, donated by Arrowhead Farms made the year a very successful one for the Junior Association, and we thank everyone who helped.

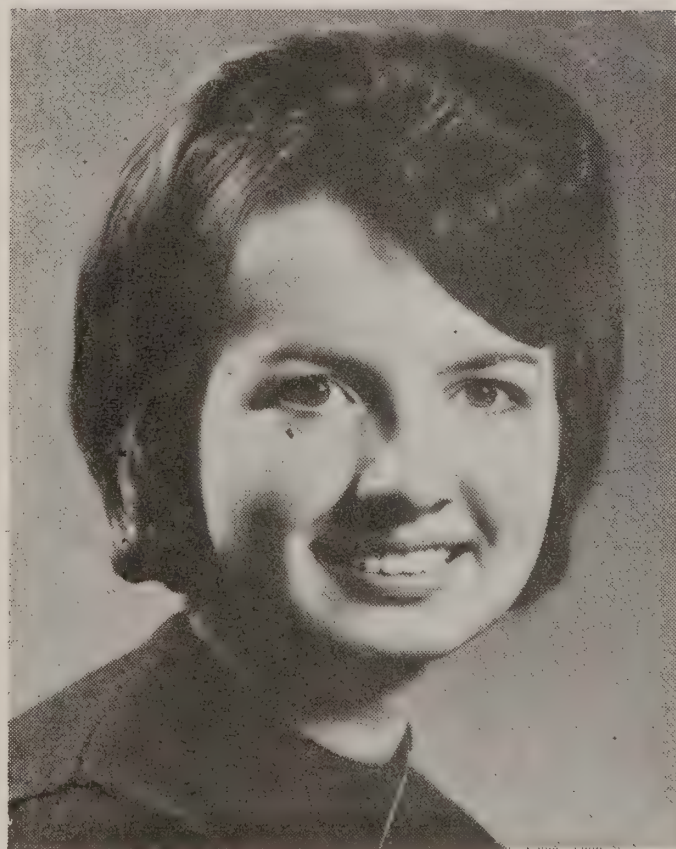

Jerry Nickel, President
Bill Fugate, Vice-President

AT THE RECENT INDIANA STATE FAIR, THE CHAMPION CARCASS OVER ALL BREEDS WAS A SHORTHORN SHOWN BY ROBERT A. MARTIN & FAMILY, NEW CASTLE INDIANA. THE STEER WAS BRED BY HARRY FERRIS & FAMILY, MORRISTOWN, INDIANA, AND WAS SIRED BY ACADIA NAPOL-EON 85TH.

**Natalie German**

Miss Natalie German, daughter of Mr. and Mrs. Ted German, R. R. 8, Lafayette, Indiana, was the lucky winner of the Electro-Groom given in the raffle of The Junior Association during the week of the State Fair, and congratulations to Natalie.

**The Honor Roll
1969
Achievement Awards**

**Ruth Ann Merson**

Ruth Ann is the daughter of Mr. and Mrs. Glen Merson, Thorntown, R. 2. This

family is comparatively new with Shorthorns, but few have done better in Club work and in the show ring in such short time. Ruth Ann is the 1969 State Lassie Queen, has completed eight years in Club work and is now a Freshman at Purdue University. As a climax to this brilliant career she has won the Association achievement award of \$150.00 and our congratulations.

* * * *

Ellen Pulley

Ellen had the Reserve Grand Champion steer of the 1969 Huntington County 4-H show. She is a daughter of Mr. and Mrs. Albert Pulley, R. 2, Huntington, whose son Ronnie won the same honor in 1967. Shown with Ellen is Eldon Wall, Warren, presenting the Association trophy.

* * * *

Rita Jessup

Here is Rita with her Reserve Grand Champion of Grant County. Rita purchased the calf from McCorkle Farms, Elwood, and Everett is presenting the trophy, which seems to please both. Rita is the daughter of Robert and Jerri Jessup, Summitville, R. 2, Only 11 years old, congratulations, and hope she does a little better next time.

Margaret Merson

Margaret is also a daughter of the Mersons, 17, and a Senior at Thorntown. At the 1968 Boone County 4-H Fair she had the Grand Champion Shorthorn steer and won the Association trophy. This year she showed an undefeated heifer, until the State Fair where she was a class winner. In 4-H achievement Margaret won the second place award of \$100.00. Again congratulations to both these girls.

* * * *

We believe these cash awards are worthwhile and would encourage more of our 4-H boys and girls to enter this contest.

* * * *

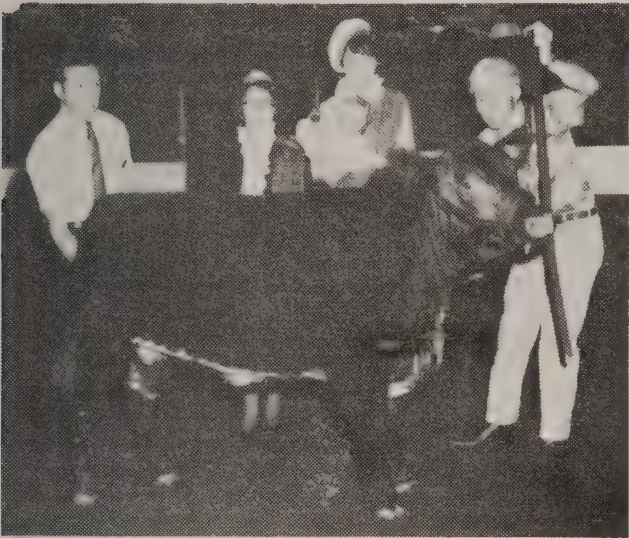

David Musser

David with his Reserve Grand Champion steer of Benton County, is shown with Bernard Scherer, Fowler, receiving his

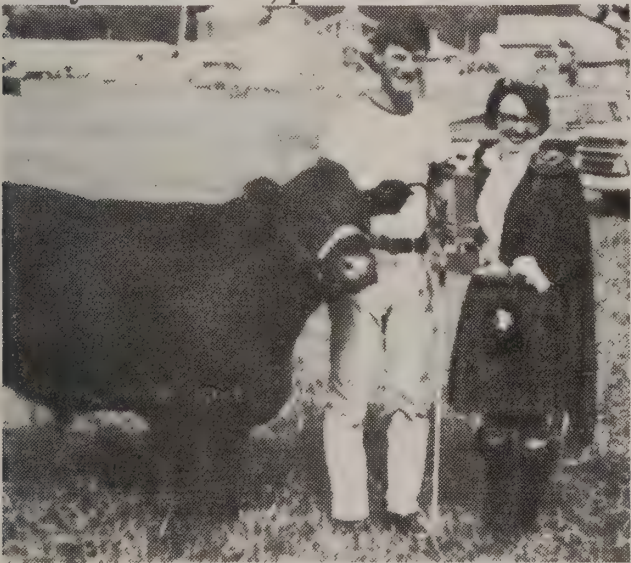

Association trophy, along with the trophy of the Vermillion Valley Association for having the Champion Shorthorn steer and cash awards from the Benton County Shorthorn breeders of \$10.00 and \$15.00 for exhibiting the Champion Shorthorn steer and Reserve over all breeds. David is the son of Mr. and Mrs. Alvin Musser, R. 1, Otterbein, and purchased the calf from Keith Inskeep and Family, Lafayette, R. 7. Congratulations to both.

* * * *

Jerry C. Harlow

As in 1968 Jerry again had the Reserve Grand Champion steer of the Tipton County 4-H show. He is the son of Mr. and Mrs. George Harlow, a Sophomore at Purdue and has finished 10 years of Club work. In closing Jerry was made Champion showman of Tipton County and Champion Shorthorn showman at the Indiana State Fair. At the 1969 Purdue Royal he won all the Shorthorn honors and was in the finals for Champion showman. His steer was also Champion of the Lebanon and Muncie District shows and a class winner at the Indiana State Fair. An A. J. Meyer and Sons, production.

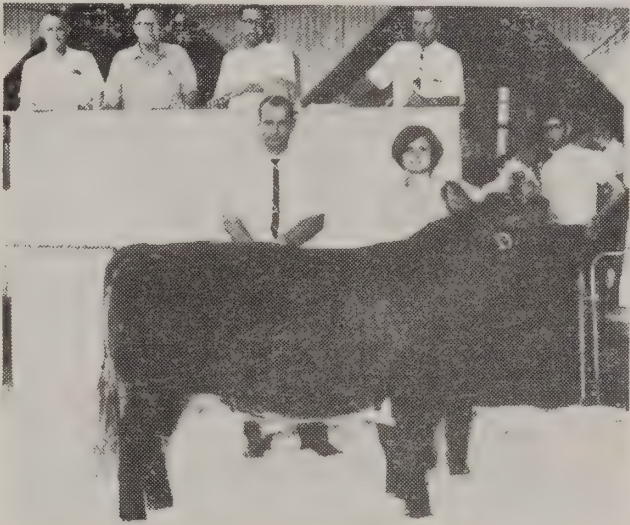

Rick Hofer

Rick showed the Grand Champion 4-H

steer of Franklin County and is being presented his trophy by State Lassie Queen Ruth Ann Merson. Another regret.

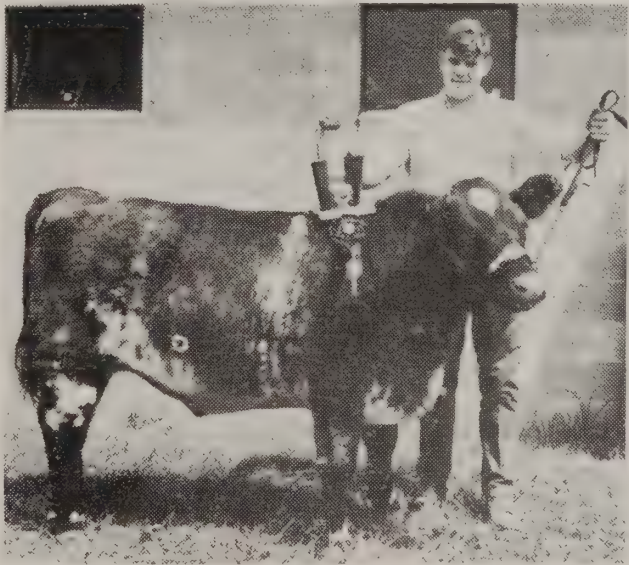

* * * *

Nancy Barnett

Here is another 4-Her that seems to have the "know how". Nancy had the Reserve Champion steer in Jay County in 1967 and now comes up with the Grand Champion at her County 4-H show. Nancy proudly holds the halter of "Ribby", purchased from her parents, Mr. and Mrs. Herbert Barnett, R. 2, Portland. Ribby weighed 830 lbs. and was purchased from They Haynes Milling Co.

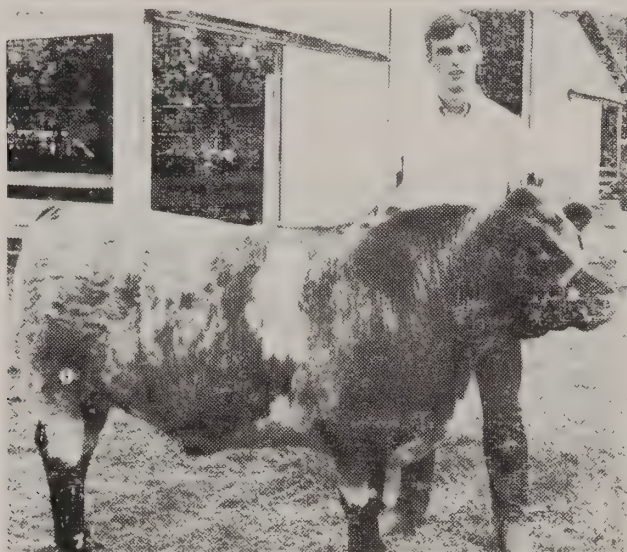

* * * *

Dan Nagel

Dan is another repeat winner, having shown the Reserve Grand Champion of Adams County in 1968, and has gone one better with the Grand Champion. He is the son of Mr. and Mrs. Conrad Nagle, R. 2, Berne. Both steers came from the Dave Garriott herd and has purchased from Dave again for another try.

* * * *

Brian Quick

Winner of the Association trophy, with his Grand Champion steer over all breeds at the Boone County 4-H Fair. Brian lives on Route 6, Lebanon and we are sorry for lack of details.

* * * *

Donna Boling

We believe Donna is the first to win either Grand or Reserve Championship from Washington County. She is the daughter of Mr. and Mrs. Ralph Boling, R. 1, Medora, 14 years old, a Freshman at Medora High School, organist, the Good Shepherd Lutheran Church and a member of the Pork and Beef Grower's 4-H Club. Donna also had Champion Shorthorn steer at the Jackson County Fair and came out with three blue ribbons. Sorry no one was present to award the Association trophy. We know of others and all will be taken care of in due time.

* * * *

Arlene Turnpaugh had the Reserve Grand Champion steer at the Newton County 4-H Fair and we learn her address is Raub. Sorry we have no further information about Arlene but glad to know she won with her Shorthorn steer.

Elsewhere we have tried to stress our desire to have detailed information con-

cerning each trophy winner. I have heard of other County winners and believe we have the most ever. Perhaps we may do better in the future.

* * * *

IMPORTANT NOTICE

To all 4-Hers, their parents, the Lassies, Princesses, Vo-Ag teachers and County Agents, and all interested in Shorthorns.

If the Grand or Reserve Champion steer at your County 4-H Fair is a Shorthorn see to it on the spot that you get a picture and mail direct to me with name, parents name and address, age and any other details. Also we insist and urge our 4-Hers to enter their record books in competition for the achievement awards of \$150.00 and \$100.00 offered by your Association. These are worthwhile.

LASSIE QUEEN CONTEST

September 22, 1969

Dear Shorthorn Members:

The 1970 Indiana Shorthorn Lassie Queen will be elected and crowned at the annual Indiana Shorthorn Association Banquet in January. The nominations may be made by the candidates themselves, by any member of the Indiana Shorthorn Associations—Horned, Polled, Lassie, and Junior, or by the queen committee.

Nominations for 1970 Indiana Shorthorn Lassie Queen candidates should be sent to Mrs. Joe Woods, Rt. 4, Frankfort, Indiana 46041 before Oct. 15, 1969. Please include a short resume' and a picture if possible.

Indiana Shorthorn Lassie Queen Candidates must meet the following state and national requirements:

1. Age 16 to 22 years and single
2. Must come from a Shorthorn family or must have shown Shorthorn cattle
3. It must be clear to the candidate that she will be expected to give full cooperation in any public appearances that will be of value to the breed
4. That she will attend the International in November and any other functions necessary
5. She shall be a member of her state Shorthorn Lassies and the National Shorthorn Lassies. The state chapter she represents shall be affiliated with the National Shorthorn Lassies with the national membership dues paid for its members by the close of each national fiscal year - November 1
6. Should a state chapter select a former Lassie Queen to reign in that state again, she will not be eligible to attend the International
7. Any girl accepting the responsibility of Shorthorn Lassie Queen will show

only Polled or Horned Shorthorns or Crossbreds (Polled or Horned sire) during her reign as Lassie Queen.

We hope to have several candidates since Indiana Shorthorn Lassie Princesses assist the Lassie Queen in promoting the Shorthorn breed by attending county fairs and Gold Medal shows throughout the state.

* * * *

EDWARDS LETTER

Sept., 1969

Dear Sec. & Shorthorn Friends:

We wish to say thank you so very much for your presence at our disperson sale. We appreciated it so very much.

It was so very nice to look at the crowd and see so many of you we had learned to know over the past years.

Our lives have been enriched by the people we have come in contact with thru our cattle.

We are missing our cattle already, our fields look so empty; however we are glad we dispersed while we were able to have the herd in top shape.

If you are in our community at any time, please stop in and say hello.

We still plan to see you at the shows and sales.

Sincerely
Maud & Russell Edwards

LASSIE REPORT

The Indiana Shorthorn Lassie Association closed a successful year by holding a luncheon at Robert's Cafeteria on Gold Medal Day of the State Fair. There were twenty-eight present.

Retiring president Kathy Budd of Lebanon presided at the meeting. Ruth Ann Merson, Shorthorn Lassie Queen, gave a resume of her busy year. Louise Roberson, Lassie Princess also spoke on fairs she had attended.

New Officers for 1970 are Mrs. Carl Jordan, President; Mrs. Joe Wood, Vice President; Mrs. Robert Bye, Sec.-Treas. Reelected Directors: 3-yr-Mrs. Donald Walker; 2-yr-Mrs. Burke Allison; 1-yr-Mrs. Jas. McCorkle.

Mrs. Budd announced the clerking of five sales this fall. The Lassies are paid \$25.00 which helps with our expenses for the Queen and the Princesses. Dues of \$3.00 per year were collected.

We welcome all ladies to the organization and invite you all to attend our meetings when at all possible.

Mrs. Budd closed the meeting by requesting each of us to ask ourselves the following questions for the improvements

of our organization.

1. Have you collected pictures for the State Fair Booth - County Champions, both heifer and steer and pictures of your own herd?

2. Have you offered to help clerk a sale, especially if it is near your home?

3. Have you encouraged Junior membership and offered transportation to them?

4. Have you sponsored a girl for Lassie Queen?

5. Have you helped man the booth at State Fair, even for an hour?

6. Have you offered to be responsible for the booth for at least one year?

7. Have you consented to hold a Lassie office for at least one year?

CHANGES ANNOUNCED FOR 1969 INTERNATIONAL DATES NOV. 28, DEC. 7

At a recent meeting of the Board of Directors of the International Live Stock Exposition held in Chicago, several important changes in schedule and regulations for the 1969 Show were announced. Dates for the show are November 28 through December 7 in the International Amphitheatre. It was also announced that Larry Caine, formerly Assistant General Manager, has been appointed Acting General Manager.

All steers exhibited at the 1969 Exposition will have to comply with new minimum weights established by the Board. These are: Senior calf, 925 lbs.; Summer yearling, 1050 lbs.; Junior yearling, 1150 lbs. This rule will apply to steers entered in the Junior Livestock Feeding Contest, the Open Steer Show, and the Quality Beef Contest. The Board action was taken to add a practicality aspect to steer judging.

A new steer classification for Purebreds of Other Breeds and Crossbreds has been established for the 1969 International in both the Junior Feeding Contest and the open class steer show. Crossbreds of all beef breeds will compete in this division. Winners will be eligible to compete for the coveted International Grand Champion Steer award.

A streamlined show schedule and early release of all beef cattle, hogs, and sheep was adopted by the Board. Beef cattle will be released on Wednesday, December 3 at 8 a.m.; sheep and hogs will be released on Wednesday at 10 p.m.

Dates for the International Dairy Show are December 4-7.

MARSHALL LETTER

3rd November, 1948

John Blume, Esq.,
Marellbar Farms,
Libertyville, Illinois, U.S.A.

Dear Johnny,

Many thanks for your letter dated September 8th, which I intended to answer sooner but Rankin is leaving me and I have been pretty busy attending sales of horses and cattle and making arrangements to go out of Cults. I have been selling a big lot of females and getting a lot of cattle away to South Africa, Rhodesia, Australia, Russia, the States and Canada.

I have only six rising yearlings left which I am trying to hold on to to put into the herd. Every country with the exception of the States appears to have switched round and you could not give small cattle away, even the Argentine. They all demand cattle of size and weight for age, and there is a big out cry about most of the Scotch breeders allowing their cattle to get far too small. I have been the loser for the last ten years, more especially with the Argentine trade in sticking to cattle of size and substance but I have had a good turn this year. Had a good sale for my bulls in the Argentine, where most of the Perth bought bulls have lost a tremendous amount of money to the exporters.

I have a useful bunch of calves this year, quite a few good bull calves and my heifer calves I think are the best lot I have ever had.

The sales last year and this have given me a good clean up and I have a bunch of females on hand now which I think will compare very favorably with cattle anywhere.

I had Lord Lovat down and sold him a Braemar bull calf for 4,000 guineas, which I consider a good calf. He is a Princess Royal out of a Perfect dam and a Willingdon gr. dam. I have a lot of good Braemar calves about me and also an exceptional calf I think by Perfect out of the 1100 guinea cow I bought from Willie MacGillivray, which for the present I am thinking of retaining for a stock bull.

I heard before I received your letter that McDermott's Calrossie Harmony calf was very useful, and I had Bennett and the Wife here and they think they have a pretty good Adjuster bull. I sold them a tremendous good heifer by Adjuster but she has not cleaned up after being vaccinated with Strain 19 showing a reaction

of 1/20. I am going to retest her again in the hope that she can go on the December boat.

Cross bought an extraordinary good heifer from me at Perth what I consider the best animal I sold. She is by Calrossie Harmony out of a daughter of the Augusta cow I bought from Ralph McWilliam.

I am glad to know that you are having such a good show season, and I hope you have a good showing at the International. Also Glad to know that Otis Carter is now getting a turn with the Cruggleton Bounce calves. This bull apparently had met with an accident or something after he left me, but from what I hear he is doing all right for him now.

Grant Campbell got a few useful calves from me at the sale, and I had a call after the sale of Clem Larson, Dr. Donohoe, Byron Hawkes, and a fellow Buck Quam, also Schirding. Unfortunately I had nothing left on hand to offer them with the exception of heifer calves, and it was no good selling any of them as all being vaccinated with Strain 19 none of them would be standing up to the agglutination test.

Sylvester Campbell seemed to lose the place at the Highland but I don't know that he was to blame as Bill Garne was judging along with him. One thing about Sylvie is you will get his opinion and there is no straighter or decenter fellow alive. Enrique Santamarina I don't think will be a bad judge, and I understand he is one of the few men in the Argentine that still favours small compact cattle.

I would like very much to have gone across for Toronto and the International but with going out of Cults and the valuation of the crop and implements &c. not taking place until the end of November and Rankin leaving me, it won't be possible for me to go this year.

With kind regards to Mrs. Blume and your Goodself in which the Family join me.

Yours sincerely,

Alfred S. Marshall

P.S. How has Allardice done with you? Will you be showing him at the International? I think I have a full brother to him this year as good, if not better, but he has been weaned for a bit and is not as fit as he should be. I will carry him on and ship him to the Argentine in the spring. We are having a tremendous lot of rain and had a very bad harvest,

with work very far behind. Lots of potatoes still to be got up, ground too wet to get off the mangold and impossible to get the dung out. We usually have our stubble ploughed by this time but have not made a start yet. It has been the worst backend I have ever known for getting on with the work.

A. J. M.

NOTES OF INTEREST

International Live Stock Exposition Larry Caine, General Manager

Junior steers will be judged Friday, November 28, and one class of open steers will be judged on the same day. The remainder of the open class steers will be done on Saturday, November 29. Grand Champion steer judging Monday December 1.

Breeding Shorthorns will be judged Tuesday, December 2, at 8 a.m. by John Shuman, Byers, Colorado, Polled Shorthorns, Monday, December 1, 8 a.m. by Herman Purdy.

* * * *

From Charles Ruch, 6 R's Ranch, Bedford

We have just sold four 1969 heifers and two bred cows to Mr. and Mrs. Walter Anderson, R. 6, Bedford, Ind., to start a new Shorthorn herd. Also sold King Charles a white bull out of a Jilt dam, to Mr. Stewart to use on the five heifers we sold him for the start of his new herd last year. Also we have sold four steers to Becky, Steve and Bobbie Stump, Williamsport, for their 4-H projects. Steve had bought a steer from us last year at the Wabash Valley sale. Bobbie would have taken a heifer for 4-H work but we were sold out.

* * * *

Printed 100 years ago

Mr. J. W. Harper has more than sixty head of Shorthorns, calves, yearlings and cows from two to nine years old, belonging to such families as Ionthe, Fashions, Lou-an Caroline, Craggs Caroline, Clarksville etc. The herd is sired by the celebrated bulls, First Duke of Liberty and Acklam Sharon. He has a pure Renick Rose of Sharon bull, which is a Marvel of beauty and a wonder to behold."

(I recall meeting Mr. Harper and hearing a lot about the female families mentioned along with many others of that time. It seems the Rose of Sharons were at the top of the heap.)

* * * *

On our trip to the Windholme sale last May 3rd, we ran head on into their Apple Blossom Festival at Winchester, Va. This is an annual affair which they attempt

to time with weather conditions. This time they were a bit early and the trees were not in full blossom but preparations had been made and the town of 15,000 was ready. Meters were blocked off and no parking in or near the downtown district. Hundreds of chairs two and three rows deep were set up along the sidewalks in this section and bleachers in all vacant and public lots. Dozens of floats were ready for the parade which was to start at 1 o'clock and stands of all descriptions were set up on the side walks with about everything to sell. It is a three-day affair, we learned that it usually drew 150 thousand visitors and traffic into town was a mess. If you should make a point to attend, it is worthwhile.

* * * *

Monday September 8, we attended the Melbourne sale. It is always a privilege and pleasure to be a guest of this wonderful family and the genial Paul Potters. As usual there was a large attendance, the cattle were presented in good fix, and while we thought prices were a bit too conservative I am sure the buyers will be well pleased. Also we attended the Russell Edwards dispersion, and the Dave Garriott production sales with good prices prevailing and am sure these firms should be well pleased. Cattle at The Center of Attraction sale went about as in the past and some excellent lots were offered.

* * * *

We have received many "thank you" notes from our County 4-H Club winners, and from recipients of the 4-H achievement awards, which are worth striving for.

* * * *

Mr. and Mrs. Jerry Clodfelter, Glatwyn Farm, Greencastle, have purchased the entire herd of Polled Shorthorns from Harry McCabe and Son. This herd was among the oldest in Indiana and has produced many top cattle over the years. We attended a State Picnic at the home of J. P. McCabe (Harry's father) back in the teens which is as far as I recall. No doubt 3 score years or more.

* * * *

Sycamore Ridge Sale

The Irvin Schilling Invitational sale held at the farm September 5th, we would term quite a success. Two bulls averaged \$515.00 the top bull going to Ed Zahner and Family, Mishawaka, Indiana. Twelve bred females made an average of \$385.00 and the top female was purchased by James Zapf and Family, Willow Branch, at \$500.00. Four heifer calves sold at

\$230.00 average and 24 steer calves averaged \$215.00. The top heifer went to Clem Good, Kewanna, at \$265.00, and the top steer to Boone County at \$410.00.

* * * *

Don Washburn of Kentland, Indiana is one of the newest breeders in the state.

Don is Vo-Ag teacher at South Newton High School and the son of Mr. and Mrs. Ralph Washburn of Remington who have been Shorthorn breeders for many years.

He has purchased two registered heifers from the Carl Jordan and Family herd of Rensselaer, Waukaru Acanthus Camile by Waukaru Napoleon 2nd and Waukaru Crissie 2nd by Westdrums Wayfarer. He also purchased two commercial heifers from the Jordan's.

He will be consigning calves to the Wabash Valley sale at Lafayette. Welcome, Don, we are glad to have you as a fellow Shorthorn breeder.

* * * *

COVER PICTURE

Shown with the Champion Shorthorn steer of the 1969 Indiana State Fair is Jim Jordan, Rensselaer. Left to right, Herman Purdy, Judge, Jack Ragsdale, Pres. American Shorthorn Assoc., Miss Ruth Ann Merson, Thorntown, Indiana Lassie Queen, Miss Cheryl N Meese, Frankfort, Indiana Lassie Princess, Lt. Gov. Foltz, Wm. McClamroch, Supt. Beef Dept. and Jim.

This heavy-muscled, modern steer was raised by the Jordans and sired by their Bilmar Whirlwind bull who was also the sire of the reserve champion heifer, 1st place heavy weight steer and the winning get-of-sire at the State Fair. He was from a commercial cow which makes up about 40% of the Jordan herd. He weighed 900 lbs. He had been named champion Shorthorn of the Jasper County 4-H & Open Fair earlier.

A group of Rensselaer businessmen pooled their resources and purchased the steer for \$1,000.00 at the State Fair Sale.

Jim is 17 years old and has entered Indiana University in pre-dental. He is the son of Mr. and Mrs. Carl Jordan, Rensselaer.

OBSERVATIONS

Since our March issue of The Hoosier Shorthorn we have gone through a Summer that seemed too short. To the North and South we learn that conditions, as to weather, have not been too good for some of our folks, while here in the center things have been almost ideal. With all that I have failed miserably to visit our

breeders as had been my plan.

We regret the Marion Invitational sale had to be cancelled last March and hope it may be revived and continued as an annual event. With Tom Hall and Don Smock we attended the Windholm Sale at Orange, Va., with consignments from Boll Weevil, Penn State and Timberlee Valley. We consider this sale a success in the excellent quality of the cattle and the prices received. Also the trip was a success with one exception, which Smock is happy to relate on request. You might never meet up with such an incident, so I would encourage all our Shorthorn folks to visit Windholme Farm and see the ideal environment for Shorthorns, meet the genial manager Melvin Nace and the owner and host Mr. Harry T. Peters, not to mention the beauty of the Blue Ridge mountains at this time of the year. It is Mr. Peter's plan to make this sale an annual event so you will have the opportunity. June 2nd. Joe Gossard and I attended the Sutherland Farms sale of Polled Shorthorns which was also a success in quality and price, and the Kentucky hospitality was at its best. The gap caused by the death of Garvin Brown cannot be filled.

Sunday, June 29th. the Annual joint State picnic was held at the Arrowhead Farm of Richard Prentice with a basket lunch, which I believe most like best, with a full program and sale of a Prentice heifer for the benefit of the Junior Association and purchased by Eldon Wall & Family, of Warren, a member of our Board. Josh and Margaret Biglands stopped by on their way home from a trip to Florida. The high-light of the program centered around type discussion as to what is "modern" and what we should strive for in Shorthorn type. As has been the case in the several such discussions we have heard, the real "beef" man is reluctant to speak out. In private he is a different person and this applies to the three beef breeds." If we follow this trend we are ruined, we know what we want and almost have it: the animal that pleases the eye, that brings 3 to 5 cents more in the market and is eatable as you like it. Did you know that in the East, the better restaurants will not serve beef with less than 1½ to 2 inches of outside fat? Somebody should take a trip East. Let's continue to take care of ourselves and them. We understand on good authority the "modern" trend was started in the Argentine some ten or twelve years ago and at that time per capita consumption of beef was 1221 lbs. Today 88. Are we

inviting synthetics, substitutes and what have you?

Next the Fairs began and while we believe things were not as bad as in '68, it was interesting. Perhaps not so many "modern" judges were invited back or had less of the extreme to work with. Among our County 4-H Club steer winners we have come up with every type, which reflects the thinking of the judge. This should be more uniform, and is unfair to our youth.

At our State Fair, and we believe, in the beef breeds, we had about everything but consistency in a number of cases. In the Shorthorn classes with three days

of the Junior steer, heifer and Gold Medal shows we have seen a few happy winners and many puzzled and unhappy showmen and spectators. In the finals the Grand Champion steer was of quite acceptable beef type, while the Reserve was a bit disappointing. In the open show, placings were almost in reverse and the attitude at ring side more cheerful, which they say all is well that ends well. In selecting the Grand and Reserve steers and Champion showmen, officiating was done by our own kind, hundreds of Shorthorn folks looking on and a golden opportunity to give them a break. We hope for better days ahead.

Winning Get of Sire
by
KEYNOTE'S CUPBEARER

Shown above is the Junior Get of Sire winning the coveted K.C. trophy at the 1967 International Livestock Show in Chicago. Further proof that Cupbearer is among America's Leading sires. He placed fourth as a sire in the 1968 Gold Medal competition and he sired the Champion of the recent Omaha bull sale.

Assisted by
PRINCIPAL LANDLORD

Our herd of more than 100 head of choicely bred females provides a good selection at all times for sale at private treaty. We were well pleased with our placings at the season's shows.

INDIANA SHORTHORN BREEDERS' SHOW and SALE

Show 10:00 a.m.

Sale 12:00 Noon

SATURDAY, NOVEMBER 8, 1969

4-H FAIRGROUNDS, GREENFIELD, INDIANA

20 miles East of Indianapolis on U.S. 40

60 HEAD SELLING

10 Bulls — 40 Females — 10 Club Calves

10 cows with calves at foot, 30 bred and open Heifers.

The production of purebred cattle is a challenge. Proper selling may be as great a challenge. Many times consignment sales have been looked upon with skepticism. A few years back, the State Association pledged themselves to hold an Annual Sale of quality, useful cattle, that should remove any doubt in the minds of the new owners. To the management, prices received from our past sales have seemed very conservative. However, since that time, through the selling of almost 500 head, one, and only one, complaint has arisen. After a few weeks, a nice letter informed us, the bull was working. A closed incident and an enviable record.

Be With Us Sale Day And Buy With Confidence

INDIANA SHORTHORN ASSOCIATION

Clyde G. Harlow, Secretary, Tipton, Indiana

GENERAL INFORMATION

LOCATION — Sale will be held at the 4-H Fairgrounds, Northeast corner of Greenfield, Indiana.

TIME — A show of the sale cattle will be at 10:00 a.m. The sale will start at 12:00 Noon.

GUARANTEE — The guarantee recognized by the A. S. A. will cover the cattle selling.

TERMS — Terms of the sale are cash, unless other arrangements have been made with the consignor from whom you purchase and the sale manager is notified. All cattle become the responsibility of the purchaser as soon as bid off. Statements from the auction block take precedence over material printed in the catalog.

LIABILITY — Each transaction in this sale will constitute a contract between the seller and buyer of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for a specific task not connected with the handling of the cattle or condition of the premises and will therefore accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the sellers accept any liability for any injuries that might occur.

REGISTRY CERTIFICATES — A Certificate of Registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for Registry will be furnished, properly signed, with each calf sold beside its dam, and for each unborn calf sold in dam.

FOOTNOTES — Footnotes appearing in this catalog were furnished by the consignors, and were written from information by them.

HEALTH — A Health Certificate, approved by the State Veterinarian will be furnished with each lot sold.

AUCTIONEER — Don Smock, Whiteland, Indiana.

RINGMEN — Don Cagwin, American Ass'n. and Joe Gossard, Frankfort.

HEADQUARTERS — The Howard Hughes Motor Lodge is designated as Sale Headquarters. Arrangements have been made with the management to accommodate as many of our guests as possible. The location is on the North Side of U. S. 40, approximately at the West edge of town. On arrival, we suggest you call here and inquire. If filled they will assist as best they can. You may make reservation direct or we will be glad to help. Address Howard Hughes Motor Lodge, Greenfield, Indiana.

MAIL BIDS OR TELEPHONE — Such may be placed in the hands of the Auctioneer, any of the above Fieldmen or the Sale Manager.

LUNCH — Will be available on grounds, sale day.

SALE COMMITTEE — The Board of Directors with Clyde Harlow, Secretary, Tipton, Indiana, 46072. Tel. Kempton, 947-2275.

RECOMMENDED GUARANTEE

(1) **TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

(2) **LIABILITY:** Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

(3) **A —** Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B — All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of the date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C — With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D — When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial of a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price without interest to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E — All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

F — Certificates of Registry and Transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred animals showing names and record numbers of sire and dam, as well as service date.

G — Shipment will be made as soon as released, but at the purchaser's risk of loss or injury after animal is bid off.

H — All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

(4) **SHIPPING ARRANGEMENTS:** It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

(5) **INSURANCE:** Coverage may be secured at the time of sale.

ROBINWOOD FARM

Louada Roth's Scout

All 1969 calves by this Great Sire

All 1968 heifers are being saved for Herd replacement

Junior Herd Sire

ROBINWOOD ROTH'S SCOUT

This young Sire is the Growthiest calf we've had on weight test that also carries muscling and correctness. His daily gain was 2.91 with a weight of 1096 at one year of age.

His Dam is an Augusta from the growthy, heavy milking Morphe Welcome Family.

His first calves will arrive in January 1970.

Watch these Scout calves in the shows and at the sales in 1970.

All cattle at Robinwood are now on weight test.

Our special thanks go to the Lonnie Sawyer family, Bargersville, Indiana for their purchase of Princess Broadhooks 3rd, the first calf by Scout that has been sold.

Get of these great sires for sale at the farm

"A trio of Champions"

The operator, the means and the result.

Jerry C. Harlow, Tipton, Indiana, has this to say "My Shorthorn steer was exhibited at a number of the major shows, Indianapolis, the Royal, Timonium, Harrisburg and Chicago. He stood in every bracket from Grand Champion to 8th place. The gist of the story is that a number of judges remarked that had the steer been more inferior, no judge could ignore his coat, and the credit goes to Electro-Groom.

A necessity for cattle and other chores about the farm.

THE CIRCUITEER

This machine has established itself as an accessory to your Electro-Groom. Easier to care for on the show circuit after the big job is done. Two hose lengths, selected temperatures, can be carried or hung and sent by mail.

A Foursome Of

Great Hybrids

Here is what the Farmers are asking for

T3X EARLY MATURITY high Pop, narrow rows a fast drying, high test weight single cross variety. One of the top yielders in yield trials.

413 EARLY MEDIUM MATURITY Farmers like our high yielding 413. Also has a very high test weight. Was tested as high as 59 lb. dri., small cob, very attractive plant, rich dark green, excellent stalk strength, an excellent 3 way variety.

711 MEDIUM LATE MATURITY Ask your neighbors who are growing Adler's 711 what they think of it. Long narrow ears, large kernels out to tip of cob. Another Adler's top 3 way variety.

A655 MEDIUM MATURITY Farmers like this consistent 4 way variety, good picker or sheller. Dries out fast and has a very high test weight. A good seller.

NEW 85X FULL MATURITY outyielded the average 28 bu. in Purdue University corn trials. Dark green plant, excellent standability. If you are after top yields, this is Adler's Seeds' new full season variety.

A GOOD, DARK RED COW BY MARELLBAR ROSEDENE. SELLS WITH A SEPTEMBER 20, 1969
BULL CALF AT SIDE BY TRINITY CONSTRUCTOR 4th.

The best grain yielders make the best silage . . . and PIONEER'S GOT 'EM!

That's why more profit-minded cattle producers are now planting Pioneer hybrids. They are top yielders. They've got to be in order to be included in the Pioneer line-up.

It's what's in the silage that counts . . . how much grain, how much **TONNAGE**. That's what puts faster low-cost gains on cattle. You can see the quality produced by Pioneer hybrids.

The key to top quality silage is the right hybrids . . . and you can be confident that Pioneer hybrids will unlock the door to high grain content, high energy silage.

Your Pioneer salesman is the man to see to obtain hybrids that are "right" for your farm and your way of farming.

PIONEER CORN COMPANY, INC., Tipton, Indiana 46072

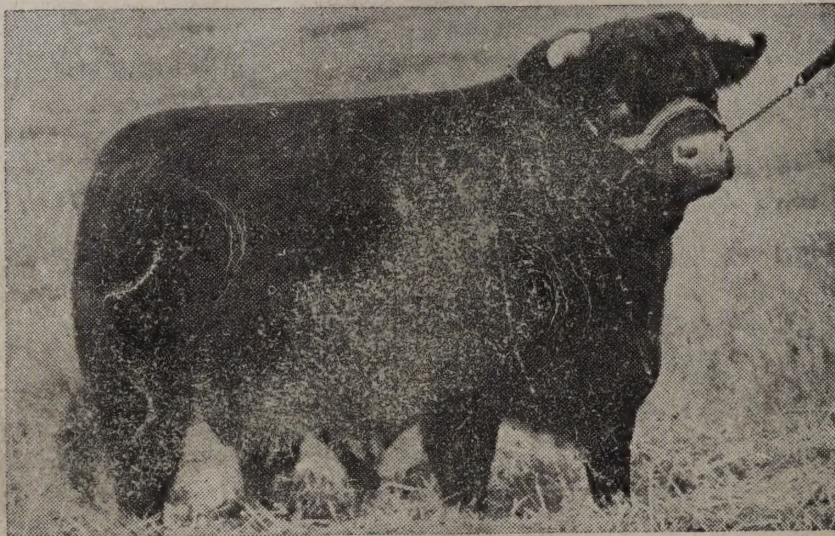

PIONEER®
BRAND
CORN and SORGHUM

?? MODERN ?? MEATY ?? CORRECT ??

Not Giants or Freaks

Muscular, 800 to 1000 pounds at a year old, grade choice with frame enough to go to 2200 lbs., but we do not have a Monumental demand for a carcass weighing over 700 lbs., and we cannot afford these 1300 lb. carcasses at 2½ years old. Ask yourself this: How could you expect an individual to breed uniformly that's out of one of the ten biggest bulls in the U.S.A. and out of a small cow?

Aberfeldy Editor

Sire of the 1969 Indiana State Fair Senior Champion Bull

Show Record of the Editors

This year with six head exhibited

Reserve Senior Champion bull.
Reserve Junior Champion bull.
Reserve Junior Champion heifer.
Second place in the groups.

Four Polled Shorthorns shown champion heifer calf. First Junior Get of sire.
